

PARTNERS IN RECOVERY SUPPORT FACILITATOR

*Full Time position based in Cairns at Rights In Action Inc.
Contract position up to 30 June 2016*

*Centacare Cairns is the Lead Agency, together with a number of key community agencies, responsible for the implementation of the **Partners In Recovery Initiative** across the Far North Queensland region.*

The Support Facilitator's role is to provide a recovery-based approach to coordinate support and services for people experiencing a severe and persistent mental illness. We are looking for someone with a passion for change in their community and the drive to improve the coordination of support for people with a mental illness.

The Support Facilitator will require a range of knowledge and experience in supporting people to address the barriers that impact their independence and inclusion in our community and importantly, to develop a highly collaborative, multi-agency recovery-based response to people's needs.

The successful applicant will have:

- highly effective communication skills
- a clear knowledge and understanding of the support and services available for people experiencing mental illness
- highly developed cultural competence and an understanding of the needs of Indigenous Australians
- an innovative approach to system reform and
- the ability to develop and work within a consumer focused, recovery-oriented practice framework.

Applicants are required to send their Curriculum Vitae and a two page letter addressing the Position Requirements, directly to **Rights In Action Inc** (host agency). Key requirements are outlined in the position description found at www.fnqpartnersinrecovery.com.au Enquiries can be made to Robyn Renton on 40317377 or email robyn.renton@rightsinaction.org

Applications close 5pm on Wednesday 18th March 2015
